DGEDC and Downers Grove Visitors Bureau Unveil New Logos

Downers Grove, IL- The Downers Grove Economic Development Corporation and the Downers Grove Visitors Bureau today unveiled their new logos. The logos, which were shown to more than 160 business and civic leaders at the DGEDC Annual Luncheon at the DoubleTree Suites Hotel, were designed by the Maclyn Group.

The Downers Grove Economic Development Corporation is the agency that promotes the retention and attraction of business in the Village of Downers Grove. The DGEDC also promotes tourism for the Village through the Downers Grove Visitors Bureau.

“I am very pleased with the new logos that were designed by the creative team at the Maclyn Group” said Michael Cassa, President & CEO of the Downers Grove Economic Development Corporation. “The new logos will be featured on our new websites, which are also being designed by Maclyn.”

The logos illustrate Downers Grove’s strategic location in the heart of DuPage County, and the western suburbs, which is supported by a strong transportation infrastructure. The intersection of I-355 and I-88 is in Downers Grove. The community also has three Metra Stations. In 2012, the Chaddick Institute at DePaul University released a report that ranked Downers Grove 7th among Chicago’s “Top Transit Suburbs.”
